

Mental Health Policy

At Swift Brickwork Contractors Ltd we believe that recognising the important aspects of mental health and wellbeing along with providing information and raising awareness, management skills to deal with issues around mental health and stress effectively, providing a supportive work environment, offering assistance, advice and support to anyone experiencing a mental health problem or returning to work after a period of absence due to mental health problems.

In order to provide a working environment that promotes and supports the mental health and wellbeing of all employees Swift Brickwork Contractors Ltd is committed to the protection and promotion of the mental health & wellbeing of all staff.

Our Health & Safety Management Team are currently engaged on a programme of Mental Health Awareness First Aid Training which will be rolled out to all our Supervisors within the coming months.

Swift Brickwork Contractors Ltd will continuously strive to improve the mental health environment and culture of the organisation by identifying, eliminating, or minimising all harmful processes, procedures and behaviours that may cause psychological harm or illness to its employees.

Swift Brickwork Contractors Ltd will continuously strive, as far as is reasonably practicable, to promote mental health throughout the organisation by establishing and maintaining processes that enhance mental health and wellbeing.

M Walsh
Managing Director
